WAREHOUSE SPACE & HANDLING SERVICES AGREEMENT

1. Parties

This Warehouse Space & Handling Services Agreement ("Agreement") is entered into by and between:

Phoenix Arizona Cross Dock LLC (doing business as Phoenix Cross Dock), located at 3550 West Clarendon Avenue, Suite 5, Phoenix, AZ 85019 ("Provider"), and

SBA Communications Corporation, Onyx Business Center, 1717 Firman Drive, Suite 700, Richardson, TX 75081 ("Client"),

collectively the "Parties."

2. Premises

Provider agrees to lease to Client a dedicated portion of its warehouse facility located at 3550 West Clarendon Avenue, Suite 5, Phoenix, AZ 85019, consisting of approximately 2,500 square feet (the "Premises"), for Client's storage and logistics use.

3. Term

This Agreement is effective as of October 1, 2026 (the "Commencement Date") and continues for an initial term of one (1) year (the "Initial Term").

Upon expiration of the Initial Term, this Agreement automatically renews on a month-to-month basis, on the same terms and at the same rate, unless and until the Parties agree in writing to a new agreement or either Party terminates as provided in Section 8.

4. Base Rent

Client shall pay Provider base rent of \$3.00 per square foot per month for the Premises, totaling \$7,500.00 per month for the 2,500 square feet described in Section 2.

Base rent is due monthly, in advance, on the first day of each month (including the first month's base rent due upon execution / before Commencement Date). Base rent covers dedicated use of the Premises and does not include the handling fees described in Section 5.

5. Handling Fees

In addition to base rent, a per-pallet handling fee applies to pallets and truckloads moved into or out of the Premises:

- Per-Pallet Handling Fee: \$20.00 per pallet, flat, covering both inbound and outbound handling.
- Full Truckload (FTL) Rate: at Client's option, a full truckload may instead be billed at a flat rate of \$520.00 per load in lieu of per-pallet handling fees for that load.

- Re-Wrapping / Banding: available upon request at Provider's then-current standard rate (published separately).

No separate dwell or daily storage fee applies to Client's goods within the 2,500 square feet of Premises. Any pallets or loads stored outside the dedicated Premises are billed at Provider's then-current standard ad hoc cross-dock rates (published separately).

Handling fees will be invoiced periodically (no less than monthly).

6. Payment Terms

All amounts under this Agreement are payable to Phoenix Arizona Cross Dock LLC. Payment shall be made via ACH; ACH details to follow. Except for the first month's base rent (due in advance as stated in Section 4) and the security deposit (Section 7), invoiced amounts are due within thirty (30) days of invoice date. Past-due amounts may incur a late fee of 1.5% per month (18% per annum), or the maximum rate permitted by law, whichever is less. Provider reserves the right to withhold release of Client's goods until the account is current, consistent with Arizona warehouseman's lien law.

7. Security Deposit

Client shall pay Provider a security deposit of \$7,500.00 (equal to one month's base rent) upon execution. Refundable within thirty (30) days following the end of this Agreement, less any lawful deductions.

8. Termination

Either Party may terminate for convenience, including during the Initial Term, with sixty (60) days' written notice. Either Party may terminate immediately upon uncured default. On month-to-month, either Party may terminate with thirty (30) days' written notice.

9. Access

Provider will make reasonable accommodations for Client's access and for scheduling inbound/outbound loads during Provider's normal business hours. The Parties will coordinate in good faith on higher-volume or time-sensitive loads.

10. Web Portal Access (Target)

Provider's target is to make available a web-based portal for inbound/outbound requests and inventory visibility. Provider will use commercially reasonable efforts toward that target. The portal, if and when available, is a convenience and does not alter either Party's other rights or obligations. Failure to deliver a portal by any particular date is not a material breach of this Agreement.

11. Limitation of Liability

Provider's liability for loss of or damage to Client's goods while in Provider's care, custody, or control shall not exceed \$5.00 per pound, unless Client declares a higher value in writing and pays any additional charge required. This limitation applies except in cases of Provider's gross negligence or willful misconduct.

12. General

This Agreement may be amended only in writing signed by both Parties. Governed by the laws of the State of Arizona.
